## Web Browser Market Share

Web Browser usage analysis and market penetration statistics

This report displays information on web browser market share and usage. Also known as "browser wars", the statistics below analyze the amount of market penetration attained by browsers such as Internet Explorer, FireFox, Safari and Google Chrome. We only list browsers that have amassed at least 0.1% of the market share during the selected time period.

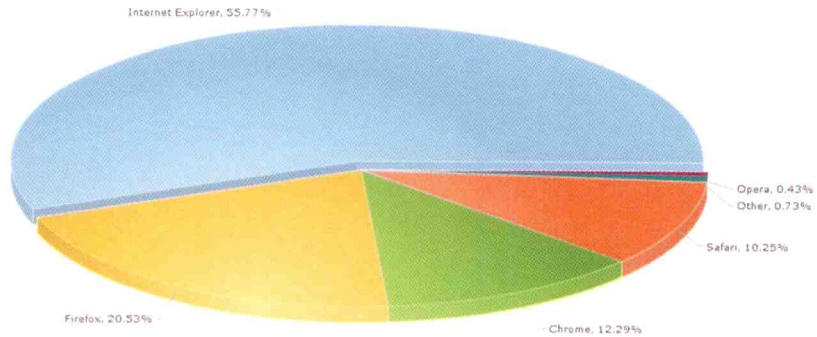

You can view this report utilizing trend charting by visiting the [Web Browser Market Share Trend](#) page.
